WHAT YOU WILL DO!

Basic Recruiting Functions: sourcing, identifying appropriate candidates, interviewing and prepping them for meetings with our clients and nurturing that entire relationship start to finish.

Candidate Nurturing: Know how to hunt for, interact with, and prep high-level IT, Tech, and Engineering talent for contract and direct hire opportunities.

Stay Up-to-Date with Industry Trends: identify sourcing and recruiting opportunities to find top talent in the surrounding Seattle area, be knowledgeable of newly released software and programs, and maintain that high-level of expertise to keep the team innovative and changing with the times.

Be One with the Start-Up Mindset: work well in a fast-paced environment, capable of wearing multiple hats, proactively multi-task, and think outside the box.

WHAT WE NEED!

Experience: Preferred at least 2 years in a staffing or recruiting agency; Minimum 1 year in Tech Recruiting.

Speak the Language: Clear demonstrated knowledge and understanding of software and various platforms and tech lingo, including an understanding of Python, HTML, C++, JavaScript, .NET, etc.

WHAT WE CAN OFFER YOU!

- Full benefits paid for by Cloutera
- Competitive pay structure
- Free parking
- PTO and all Holidays off
- A phone stipend

APPLICATION PROCESS

Please respond with an up-to-date resume with your current contact information. If you are a qualified candidate, we will set you up with a 30-minute phone call with a recruiter to learn more about your experience and to tell you more about the job, compensation, and benefits. The recruiter will walk you through the next steps of the process if you are a good fit!

MORE ABOUT US!

Cloutera provides corporate recruiting and sourcing support for organizations seeking permanent employees. Cloutera partners with and works side-by-side (sometimes onsite) with our clients as an extension of their internal recruitment teams in support of their permanent staffing efforts. We are dedicated to ensuring great candidate experiences and strive to support potential employees through the process.
